The Location

The Tamantis is located in the village of Berawa - Canggu, which is a 45 minute drive from the Ngurah Rai International Airport. It is still very much a traditional Balinese area, blessed with productive rice terraces and a rugged stretch of coastline. Berawa beach, a quick 1 minute walk from the villas, is a lovely stretch of brown sand and is very popular with both tourists and locals due to its excellent surfing, cozy and relaxed atmosphere and beautiful sunset view. Take a stroll along the beach in the direction of Seminyak one day and the next watch the local fishing boats bring in their overnight catch on your way towards Echo Beach. In Berawa you will find a mix of restaurants, local warung's and many luxury Villas & Resorts. Close by is an excellent food market/delicatessen with a great range of food and drinks. The Canggu Club is also close by and houses a fitness centre, a kids club, ten pin bowling and waterpark including a waterslide. Berawa - Canggu is the perfect base from which to explore the island of Bali at a relaxed pace.
